Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Manual Ship Sanitation and First-Aid for Merchant Seamen: Prepared Under the Direction of the Rev. Archibald R. Mansfield, D.D. Superintendent, Seamen s Church Institute of New York, in Co-Operation With the United States Public Health Service Washington, D. C This manual is written in order to furnish officers and men of the merchant marine with a small plainly worded text book which will give them some knowledge of ship sanitation and hygiene, will serve them as a brief guide in simple medicine and surgery, and will aid them in caring for such cases of injury and illness as may occur during a voyage at sea. The ordinary book on first aid does not answer the purpose, for the ordinary book on first aid contains nothing on ship sanitation, little on hygiene as applicable on board ship, nothing regarding maritime quarantine, and is only sufficient in scope to enable the reader to render first aid While awaiting the arrival of the doctor, who, on land, is usually within a few minutes or at most a few hours call of the...
