Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Oxyuris Vermicularis (the Threadworm): A Treatise on the Parasite and the Disease in Children and Adults, Together With the Particulars of a Rapid, Harmless and Reliable Cure When I definitely took up the study Of Medicine some twenty years ago, it was in the belief that I was to be initiated into the science Of Healing. Like many another student, I was soon to be disillusioned; and as I pursued my studies I became more and more dismayed at the confusion which prevailed in this branch Of learning, a confusion which, curiously enough, is countenanced by its professors. The medical curriculum was then, and is still, overburdened with a mass of extraneous matter. Smatterings Of Chemistry, Physics and Biology, much irrelevant Anatomy and Physi ology, vague speculations in Pathology, and an elaborate Materia Medica of no practical value absorb all the future physician s time, while little more than passing reference is made to Therapeutics, the science of healing, which should be, beyond question, the Alpha and Omega of all medical study and effort. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
