Objects both large and small range from traditional vases, bowls and frames to more unusual items such as a kaleidoscopic room divider, exotic blind pulls and a Cinderella chair. A techniques section introduces the beginner to making paper pulp, building armatures, layering, cutting and drying. For today's designers conscious of recycling, papier-mache is the perfect medium to express creativity without the worry of waste and expense, and the subtle, sophisticated finishes shown in this book are perfect for the modern home.
