

Blockchain: Applications and Programming Languages with Blockchain Technology (Paperback)

By Charles Jensen

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For those who aren't satisfied with one book, here's three in one combined! Book 1: Blockchain is an often-misunderstood technology. It has been a hype, a thing in the past, and many people are talking about it. But what is it? How do you use it? What consequences does it have? All of these questions and more will be answered in this book. The expert/author wrote, among others: How blockchain is different from bitcoin (and similar to it). The domino effect blockchain causes on banks, institutions, corporations, and governments. Contracts, apps, and financing strategies to utilize blockchain to your advantage. Elaborate and controversial thoughts about the development and future of blockchain. Legal implications and economical effects of blockchain. Barriers and challenges, as well as simple ways to overcome those. Book 2: You've learned the specifics of blockchain technology. You've become the ultimate expert geek on this subject. You've read my other books, and you know how it all works. So now what? Well, now it's time for you to apply these things in real life. That...
