Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The emergence of non-state actors and sub-national entities on the world stage has presented the established international system with challenges for which it is ill equipped to handle. The historical inclination to resort to military force when diplomacy fails is becoming a less viable model as new and powerful non-state actors establish themselves in the international order with implications for their host nations and the nations of the world. Hezbollah, or the Party of God, is an established Shi'ite jihad movement that has operated out of Lebanon since its founding by the Iranian Revolutionary Guard in 1985. Situated in a key strategic location in the Middle East and bordering the state of Israel, Hezbollah's status as one of the most well-organized and well-armed non-state actors in the world is cause for some concern to the United States and its allies. This concern was realized when Hezbollah initiated a 34-day war with Israel in 2006. In addition to being a well-armed jihad organization, Hezbollah also controls the largest voting bloc in the Lebanese parliament, giving it virtual veto power in the Lebanese government. For the aforementioned reasons, many national security professionals and academic researchers have spent years studying this shadowy group. Among the many opinions of Hezbollah, there is a growing body of literature and academic discourse that puts forth the theory that Hezbollah is going through a Lebanization process. This process of political integration, it is said, is causing Hezbollah to evolve from a violent Iranian-inspired jihadi group to a mainstream part of Lebanese society and politics, and that this process will ultimately result in its disarmament. The allure of this theory of moderation and reformation of Hezbollah...
