

Information Politics: Liberation and Exploitation in the Digital Society (Digital Barricades)

Filesize: 5.25 MB

Reviews

*This kind of pdf is every little thing and taught me to looking forward and more. It is one of the most incredible book i have read. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about should you check with me).

INFORMATION POLITICS: LIBERATION AND EXPLOITATION IN THE DIGITAL SOCIETY (DIGITAL BARRICADES)

DOWNLOAD

Pluto Press, 2015. Soft cover. Condition: New. 1st Edition. Conflict over information has become a central part of twenty-first century politics and culture. The sites of struggle are numerous, the actors beyond count. Currents of liberation and exploitation course through the debates about Edward Snowden and surveillance, Anonymous, search engines and social media. In *Information Politics*, Tim Jordan identifies all these issues in relation to a general understanding of the nature of an information politics that emerged with the rise of mass digital cultures and the internet. He also locates it within a field of power and rebellion that is populated by many interwoven social and political conflicts including gender, class and ecology. The exploitations both facilitated by, and contested through, increases in information flows; the embedding of information technologies in daily life, and the intersection of network and control protocols are all examined in *Information Politics*. Anyone hoping to get to grips with the rapidly changing terrain of digital culture and conflict should start here.
