

The Storm King (Hardback)

Filesize: 1.48 MB

Reviews

It is one of the best pdf. It is written in straightforward words and never difficult to understand. It has been designed in an extremely straightforward way and it is just following it finished reading this book through which basically modified me, affect the way i believe. (Deonte Abbott III)

THE STORM KING (HARDBACK)

Ballantine Books, 2018. Hardback. Condition: New. Language: English . Brand New Book. Deeply atmospheric, breathlessly suspenseful, with a ticking clock like no other--a terrific thriller. --Lee Child Haunted by dark secrets and an unsolved mystery, a young doctor returns to his isolated Adirondacks hometown in a tense, gripping novel in the vein of Michael Koryta and Harlan Coben. Burying the past only gives it strength--and fury. Nate McHale has assembled the kind of life most people would envy. After a tumultuous youth marked by his inexplicable survival of a devastating tragedy, Nate left his Adirondack hometown of Greystone Lake and never looked back. Fourteen years later, he s become a respected New York City surgeon, devoted husband, and loving father. Then a body is discovered deep in the forests that surround Greystone Lake. This disturbing news finally draws Nate home. While navigating a tense landscape of secrets and suspicion, resentments and guilt, Nate reconnects with estranged friends and old enemies, and encounters strangers who seem to know impossible things about him. Haunting every moment is the Lake s sinister history and the memory of wild, beautiful Lucy Bennett, with whom Nate is forever linked by shattering loss and youthful passion. As a massive hurricane bears down on the Northeast, the air becomes electric, the clouds grow dark, and escalating acts of violence echo events from Nate s own past. Without a doubt, a reckoning is coming--one that will lay bare the lies that lifelong friends have told themselves and unleash a vengeance that may consume them all. Praise for The Storm King Brendan Duffy s second book mingles horror, historical fiction, supernatural suspense and old-fashioned murder mystery, the rare phantasmagoria whose pieces click into a satisfying resolution. . . . This is a gutsy, intricate, evocative piece of mischief, much...
