Elizabeth Wiseman Mackey, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. One man. Two women. A child desperate for medical treatment. How can Kyle choose between the woman he once loved and his current fiancée? Is there a solution that suits all involved, or will someone end up out of the triangle forever? Morgan Calhoun and her parents are whisked away in the middle of the night, something Morgan always knew was a possibility because of her father's CIA job. But she'd always thought if such a scenario played out that she would have time to say goodbye to those she loved-particularly her boyfriend, Kyle. Adding to her unbearable situation, several weeks after the move, Morgan finds out that she's pregnant. Kyle Brossmann doesn't even get a break-up letter from Morgan. She's just gone, along with her parents. His heart broken, Kyle continues with his plans. He graduates from high school and attends college, where he meets his fiancée, Lexie. But two men visit Kyle and encourage him to travel to an undisclosed location, where he will meet his five-year-old daughter. Rocked by the news that he has a child, Kyle learns he is the only person who might be able to save his daughter's life. Will Kyle choose his first love and his daughter? Or will he stay with Lexie and live the life they've been planning? Each Surf's Up novella takes the reader to a beach locale, weaving romance and adventure into a soul-soothing journey of hope.
