Atheneum Books for Young Readers, United States, 2001. Paperback. Condition: New. Revised ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Newbery Medalist Phyllis Reynolds Naylor's one hundred and more books are true to life, funny, and, most of all, well written -- you'd think that she doesn't have to work at writing at all. But that's not true. *How I Came to Be a Writer* is the story of one author's beginnings -- successes and failures, reviews and rejection slips -- things that mark the stages of a writer's life. Illustrated with photographs, and including samples of her earlier writing, this book will show you the inner workings of the writing process, from the spark of an idea to a book's actual publication. This classic writer's memoir has been revised and updated to include material on the writing of the Newbery-winning *Shiloh* and its two sequels.
