## HOT DEFORMATION OF ALUMINUM ALLOYS III

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Hot Deformation of Aluminum Alloys III, Z. Jin, A. Beaudoin, T. A. Bieler, B. Radhakrishnan, These proceedings address recent progress in theoretical and experimental studies of hot deformation of aluminum alloys. Technical papers from fundamental research and industrial applications cover such topics as hot deformation mechanisms, evolution of grain structure, texture, precipitates, and damage in thermomechanical processes including rolling, extrusion, forging, superplastic forming, friction stir welding, severe plastic deformation..

### Reviews

---

*It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I realized in fact it changed me, it changed the way I think.*

-- **Lucinda Stiedemann**

*Extensive information! It is this sort of great read through. It is amongst the most incredible books I have gone through. I realized this publication from my dad and he suggested this book to understand.*

-- **Prof. Devon Bernhard PhD**
