Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Overburdened taxpayer, Would you like to pay much less in taxes, never have to fill-out a federal or state income tax form again, and yet have the U.S. federal, state, and local governments adequately funded? Would you like to eliminate U.S. deficits forever, pay only your fair share of taxes, and create an environment where job creation explodes? Would you like to guarantee that Social Security will thrive rather than implode? If you answered yes to these questions, then it s time for changes to be made in America s tax laws. The U.S. federal, state, and local governments have many ways that they collect taxes from you. They include income tax, sales tax, property tax, fuel tax, sin tax, excise tax, Social Security tax, Medicare tax, and many more. Of these taxes, the most expensive tax to collect and the most open to fraud is income tax. For you to determine your income tax liability, the government requires that you keep detailed records of all your income and expenses. You are then required to understand the thousands of pages of income tax law to determine what income is to be taxed and what expenses may be deducted. Some expenses are handled as deductions, while others as credits. Special tax exemptions are included in the laws to minimize taxes for the benefit of some people with access and influence within the government. If you run your own business, the deductions allowed are different than if you are an employee. The time required for you to track all your information, understand the tax laws that apply to you, and then determine your tax liability is significant. Many small businesses...
