Forgotten Books. Paperback. Condition: New. 302 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. WITHERSPOON slife is notable in connection with four important movements: the struggle for popular rights in the Church of Scotland; the administration of Princeton College; the organization of the American Presbyterian Church; and the American Revolution. I have tried to tell the story of his life simply and accurately. As I have avoided the use of footnotes I shall indicate here the sources of my information. For the Scotch period these were Cunningham s History of Scotland, Autobiography of Rev. Alexander Carlyle, and the Minutes of the General A ssembly; for the American period, Bancroft s History of the United States, Sprague s Annals, Sanderson s Lives of the Signers of the Declaration of I ndependence, Tyler s Literary History of the American Revolution, Mc Leans History of the College of New Jersey, John A dams Diary, the Writings of Washington. But in all cases I have also used the original documents. (Typographical errors above are due to OCR software and dont occur in the book.)
