Lulu.com, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Midnight To Six is a book about style, photography and coolness. But it s also a book about friendship, clublife, clothes and attitude, a sort of illustrated journey , commented with brief sentences, one for each illustration, through the many faces of Mod: from the early jazz-oriented modernists to the late 60s freaksters and several other types of scenesters in between. Thirty four black and white modernist inspired illustrations included in this book from the hand of Max appropriately entitled Midnight To Six . The content is usually beautiful ladies, sometimes with the guys, on scooters or inside clubs where you find most self respecting Mods and always dressed sharp. Influenced by his father who was a keen photographer, this labour of love features drawings inspired by fellow scenesters who Max met on his journey starting in London back in 1999. The attention to detail makes this a must for those who collect modernist inspired paintings or books. - THE NEW UNTOUCHABLES, London.
