

Que hacemos con los bancos

By Lucía, Lourdes

AKAL, 2013. Condition: Nuevo. ¿Qué hacemos para construir una banca pública y democrática que acabe con los rescates financieros y con el poder de los bancos? Si la crisis económica global tiene un claro origen financiero, en el caso español la banca ha tenido una responsabilidad decisiva. Para entender cómo hemos llegado a la actual situación es esencial observar el papel jugado por bancos y cajas durante la burbuja que financiaron generando una deuda que hoy es imposible de pagar. Este libro quiere mostrar cómo un sistema financiero que presumía de ser el más sólido y saneado de Europa nos ha arrastrado hasta un rescate financiero que socializa sus deudas, y qué responsabilidad han tenido el Banco de España, el BCE y los organismos responsables que fallaron en su supervisión. La liquidación de las cajas de ahorro, el proceso de concentración bancaria, los activos tóxicos y el llamado banco malo son analizados en un libro que propone la creación de una banca pública, viable, social y democrática.

Reviews

It is one of the most popular publications. It really is filled with knowledge and wisdom. It has been designed in an exceedingly straightforward way and it is merely soon after I finished reading this pdf by which actually transformed me, affected the way in my opinion.

-- Gerardo Rath

A must-buy book if you need to add benefit. I am quite late in starting to read this one, but better than never. It has been designed in an exceptionally easy way in fact it is only after I finished reading this publication where in fact it modified me, altered the way in my opinion.

-- Prof. London Gerlach
