\*\*\*\*\*The Parents Guide To The Art of Negotiation has been written by a parent for parents\*\*\*\* We all want to be good Parents in our life time. But the journey is one of endurance, joy and heartache. In our society today there are many books and questionable experts on caring for Children and bringing them up. The recent programmes on television, in many cases amount to child abuse and gross ignorance written by the utterly mindless, but perhaps this again reflects on our society today! I never knew the answer then, as a young man just before leaving the forces. But I had an opportunity to ask a spiritualist what my best job would be? Filled with ambition, I was open to suggestions be it a scientist, lawyer, doctor etc. But the answer I got was as a Father and looking back some thirty plus years on, I knew the answer to be right. It may seem strange for a man to write on such a subject, sadly still in today s society few really appreciate the thoughts of man and especially when it comes to the love and well-being of their Children. Having been blessed with 5 children and today, beginning to read and hear about my expressed views in this book, now being covered by the media and press. I know the content of this book is invaluable when it comes to common sense, love and care. Beyond the superficial material nonsense of our society today, if we all paused and looked around at all other life forms, we would finally appreciate our life s purpose is to love and create life. Such views are not...
