Createspace, United States, 2011. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Carrie Preston is desperately trying to stand up to her pushy family and failing badly. When her favourite aunt dies she retreats into her favourite book, Elizabeth Gaskell's North and South, only to find herself suddenly stuck in that story and seriously messing with her favourite romance of all time! When Carrie's kooky aunt bequeaths her a pair of amethyst earrings in her will and says that they will grant her her hearts desire, she has no idea that she will end up in the middle of the 19th century, slap bang in the middle of her favourite book. With nothing but the clothes on her back and her rucksack, she is taken in by the Hale family and soon finds herself living in the dirty, smoky industrial town of Milton. The only bright spot on the horizon is that she gets to meet the romantic hero of the story, John Thornton but it's not long before he starts setting his sights on her rather than Margaret Hale! Far from living her dream, she is appalled to realise that she is about to destroy the greatest romance since Elizabeth Bennett met Mr Darcy!.
