Houghton Mifflin Harcourt Jan 2016, 2016. Taschenbuch. Book Condition: Neu. 208x136x25 mm. Neuware - For Cleo Berry, the people dying of the Spanish Influenza in cities like New York and Philadelphia may as well be in another country-that's how far away they feel from the safety of Portland, Oregon. And then cases start being reported in the Pacific Northwest. Schools, churches, and theaters shut down. The entire city is thrust into survival mode-and into a panic. Headstrong and foolish, seventeen-year-old Cleo is determined to ride out the pandemic in the comfort of her own home, rather than in her quarantined boarding school dorms. But when the Red Cross pleads for volunteers, she can't ignore the call. As Cleo struggles to navigate the world around her, she is surprised by how much she finds herself caring about near-strangers. Strangers like Edmund, a handsome medical student and war vet. Strangers who could be gone tomorrow. And as the bodies begin to pile up, Cleo can't help but wonder: when will her own luck run out Riveting and well-researched, A Death-Struck Year is based on the real-life pandemic considered the most devastating in recorded world history. Readers will be captured by the suspenseful storytelling and the lingering questions of: what would I do for a neighbor At what risk to myself An afterword explains the Spanish flu phenomenon, placing it within the historical context of the early 20th century. Source notes are extensive and interesting. A Spring 2014 Indies Introduce New Voices selection 282 pp. Englisch.
