

Drops Like Stars: A Few Thoughts on Creativity and Suffering

Filesize: 4.91 MB

Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Lois Cormier II)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Drops Like Stars: A Few Thoughts on Creativity and Suffering, Rob Bell, Rob Bell's extraordinary and provocative Drops Like Stars, published as part of the Rob Bell Classics relaunch, explores the relationship between suffering and creativity, and the transformative power of pain. 'We plot. We plan. We assume things are going to go a certain way. And when they don't, we find ourselves in a new place - a place we haven't been before; a place we never would have imagined on our own. It is the difficult and the unexpected, and maybe even the tragic, that opens us up and frees us to see things in new ways. 'Many of the most significant moments in our lives come not because it all went right but because it all fell apart. Suffering does that. It hurts, but it also creates. This book is an exploration of the complex relationship between suffering and creativity, driven by the belief that there is art in the agony.' Rob Bell.
