HCI Teens. Paperback. Book Condition: New. Paperback. 300 pages. Dimensions: 8.3in. x 5.5in. x 1.0in. More than seventy-five teens from across the country were interviewed on a range of topics and issues: parents, friends, sports, clothes, school violence and peer pressure. With the passion and frustration expressed by teens in their narratives, as well as in their artwork and poetry, this book is a unique combination of original teen contributions and effective stress- and anger-management techniques from a mental-health professional. Most important, it was designed expressly for teens. **Hot Stones and Funny Bones** is divided in three sections. **Telling It Like It Is** highlights problems and issues that nearly every teen faces in the middle- and high-school years, expressed in their own voices. The second section, **The Best Way to Cope with Stress**, offers a host of coping skills and relaxation techniques for teens to utilize, ranging from ways to boost self-esteem and effective anger-management skills, to meditation and creative expression. The third section, **Final Comments From Teens**, reveals opinions, lessons learned and advice to parents and teenagers about the struggles and triumphs of teen years. In addition, every chapter includes **Thoughts, Reflections and Action Plans**, where teens can process what they've learned, using the information to make healthy behavioral changes. With all the stress and gamut of emotions in our hectic-and at times chaotic-world, this book will be a hit with teens trying to make sense of it all and stay sane at the same time.
