START A BUSINESS WITH NO MONEY: START A BUSINESS WITH NO MONEY (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How to Start a Business with No Money A seed was sown 6 months ago during a drive to London for business. I don t know about you but I tend to find that during driving I do one of two things. Immerse myself in an audible book to try and maximise my personal development The second is to think about ideas and concepts and look at ways in which to turn thoughts into a reality and ultimately a vision of the future This book is one of those thoughts and through those thoughts I created massive action which in turn has manifested itself as what you read here today I hope you enjoy reading through the concept and appreciate the small part you are playing in my ultimate vision! And if not there is a sneaky bribe somewhere in the book so you will have to read the whole thing to find it! Well you can t get something for nothing there is always a transaction in everything you do in life!.
