Kregel Publications, U.S. Paperback / softback. Book Condition: new. BRAND NEW, The Diversity Culture: Creating Conversations of Faith with Buddhist Baristas, Agnostic Students, Aging Hippies, Political Activists and Everyone in Between, Matthew Raley, A new culture is emerging - one of spiritual openness, moral flexibility, and social diversity. This diversity culture makes evangelicals uncomfortable, not because they feel threatened, but because they feel excluded. Writing from the perspective of a conservative evangelical, author Matthew Raley tackles the social tensions between evangelicals and the diversity culture. Drawing on analysis of contemporary media, ancient sources, and Scripture, The Diversity Culture examines cultural barriers and how they can be broken, helping Christians understand this cosmopolitan group on their own terms. This incisive and much-needed book gives believers the understanding and tools they need to cross socioeconomic, ethical, and ideological barriers and heal relationships in the name of Christ.
