KILLER B S AND WORKER B S: SURVIVE OR THRIVE? (PAPERBACK)**DOWNLOAD**

260 Productions, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is there more to life than just surviving? Is life getting in the way of us living out our passion or dream? Killer B s Worker B s--Survive or Thrive? offers us the opportunity to see how the tyranny of Killer B beliefs and behaviors keeps us focused on immediate, urgent, pressing matters which prevent us from thriving--living our dream. Alan Hedman combines his expertise in the science of thriving with extensive first hand experience working with nonprofits, educational organizations and CEOs to present a book that can help us thrive in all aspects of our lives. Living life is not the same as living life well, and Killer B s are the main source of the problem. These predominately good forces allow us to survive while destroying the possibility of living our dream. The result, in the words of Henry David Thoreau, is that most people live lives of quiet desperation and go to the grave with the song still in them. Hedman guides us through the process of identifying and neutralizing the Killer B s. If we have fuzzy priorities, are nice and selfless, are consumed by making a living, or don t believe that we are truly A material, Killer B s will be waiting to fill the void of our unmet dreams. Fighting with Killer B s is not child s play, since they can appear as subtle slayers or instant fear producers. The trick is to stay on course and take action. With the battle plans drawn on how to deal with Killer B s, Hedman leads us through the habits that make living a Thriving A life possible. First, we must believe that we can thrive....
