Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Geoffrey Chaucer, known as the Father of English literature, is widely considered the greatest English poet of the Middle Ages and was the first poet to be buried in Poets Corner of Westminster Abbey. While he achieved fame during his lifetime as an author, philosopher, alchemist and astronomer, composing a scientific treatise on the astrolabe for his ten-year-old son Lewis, Chaucer also maintained an active career in the civil service as a bureaucrat, courtier and diplomat. Among his many works, which include The Book of the Duchess, the House of Fame, the Legend of Good Women and Troilus and Criseyde, he is best known today for The Canterbury Tales. Chaucer was a crucial figure in developing the legitimacy of the vernacular, Middle English, at a time when the dominant literary languages in England were French and Latin. Chaucer's works are sometimes grouped into first a French period, then an Italian period and finally an English period, with Chaucer being influenced by those countries literatures in turn. Certainly Troilus and Criseyde is a middle period work with its reliance on the forms of Italian poetry, little known in England at the time, but to which Chaucer was probably exposed during his frequent trips abroad on court business. In addition, its use of a classical subject and its elaborate, courtly language sets it apart as one of his most complete and well-formed works. In Troilus and Criseyde Chaucer draws heavily on his source, Boccaccio, and on the late Latin philosopher Boethius. However, it is The Canterbury Tales, wherein he focuses on English subjects, with bawdy jokes and respected figures often being undercut with humour, that has cemented his reputation.
