

The (Un)Known!: Is Eternity a Myth? (Paperback)

By Ravi Ranjan

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As Myra, an eighteen-year-old girl walks the deserted street on the way back to her mansion, she feels a dark whirlwind under the magnanimous creepy fig tree, watching her. When she discusses this horrid experience with her mother, her mother feels that she is making stories because of her resistance to this new place. Though Myra often questions her ability to distinguish between reality and her dreams, the whirlwind feels real, especially after her friend Tracy confesses that she has seen the whirlwind too and that she calls it the unknown . The mansion where Myra lives is infamous as Vortex House for somebody had disappeared there. Amidst her confusion and incessant fear, a stranger named Albert crosses ways with her. While his claims that he has been waiting for her forever, sounds funny to her, she cannot resist his charm. Though he talks in riddles, she feels she has always known him. As she gets to know him more, she feels that he is the man of her dreams, and she has all the reasons, for he knows everything about her...

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Sallie Wiegand

It in one of the most popular publication. We have read through and that i am sure that i will likely to study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be he best pdf for actually.
