Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Fortunes are being made everyday in the eBay book trade. This concise guide unlocks the secrets of the highly lucrative market. Whether you are a buyer or seller, this guide puts you in the driver s seat. Why do dozens of books go unsold on eBay each day? Is it a buyer s market or a seller s market? All this and much more revealed inside! Disclaimer: The Fine Print Caution: This is a 30 page book, and sells for \$49.95 a copy. That works out to around a \$1.66 per page. It is very expensive. As I not only write, but edit, select the artwork, design the covers, and do the layout for all my own books, with the support of a loving wife, and a gentleman professor friend, who has a keen eye for grammatical slaughter, I expect to be rewarded for my efforts. Therefore, you are buying my creativity, and it is does not come cheaply. The artist who accepts a pittance for his work is likely to remain poor, and deserves what he receives, which is a fool s errand. Matter of fact, this book is much too expensive for most folks, and curiosity seekers may well find the information falls short of their expectations. Much like buying stocks, if one cannot afford to shell out 50 Bucks for frivolous expenditures, then one s money should remain in the bank. For those who are risk averse, I suggest instead, they may wish to consider a copy of Thomas Pynchon s Mason and Dixon as it has somewhere in the neighborhood of 800 pages, or perhaps, spending the fifty bucks on a sure thing.say life...
