Reviews

An exceptional pdf and the typeface employed was fascinating to see. Better than never, though I am quite late in starting reading this one. Your daily life span will be transformed as soon as you start looking at this publication.

FUNDAMENTALS OF ENGLISH GRAMMAR, VOLUME B (PAPERBACK)

Pearson Education (US), United States, 2011. Paperback. Condition: New. 4th edition. Language: English . Brand New Book. A classic developmental skills text for lower-intermediate and intermediate English language learners, Fundamentals of English Grammar is a comprehensive reference grammar as well as a stimulating and teachable classroom text. (Volume B contains Chapters 8-14.) While keeping the same basic approach and material as in earlier editions, the fourth edition more fully develops communicative and interactive language-learning activities. Some of the new features are: Innovative Warm-Up exercises that precede the grammar charts and introduce points to be taught Structure-based listening exercises ranging from casual speech to more academic content A wide selection of readings that highlight the target grammar structures Greatly expanded speaking practice with extensive pair, group, and class work Writing activities with models for students to follow Corpus-informed syllabus that reflects the discourse patterns of spoken and written English Audio CDs and Listening Script in the back of the Student Book.
