Bottom of the Hill Publishing, United Kingdom, 2010. Paperback. Book Condition: New. 235 x 191 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Towards a Philosophy of Education is the sixth volume of Charlotte Mason s six part homeschooling series, a series that is considered one of the finest ever written on education. Towards a Philosophy of Education gives the best overview of Mason s teaching philosophy. Written years after she was able to see her teaching methods in action she is able to give further examples and directions. Mason s method of education shows its strength through its widespread use today by private schools and homeschooling families. It is flexible and includes first-hand exposure to ideas through books in art, music, and poetry, nature observation as the primary means of early science teaching, use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization, and an emphasis on character and on cultivating and maintaining good personal habits. The complete collection of Charlotte Mason s Original Homeschooling Series includes: Volume 1 - Home Education Volume 2 - Parents and Children Volume 3 - School Education Volume 4 - Ourselves Volume 5 - Formation Of Character Volume 6 - Towards A Philosophy of Education.
