Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The birds enjoyed much secret fun at his expense, none of them dreaming that he would be foolish enough to make the attempt to fly so far, for he was such a heavy-bodied bird and had never flown higher than a tree-top. But much to the surprise of every one, the peacock expressed his intention of starting to the Blue Realm and bade his friends good-bye, they laughing among themselves, thinking how ridiculous he was making himself, and how angry he would be when he found how he had been duped. Contrary to their expectations, however, U Klew continued his flight upwards till they lost sight of him, and they marvelled and became afraid, not knowing to what danger their jest might drive him. Strong on the wing, U Klew soared higher and higher, never halting till he reached the sky and alighted at the palace of Ka Sngi, the most beautiful of all maidens and the most good. Now Ka Sngi was destined to live alone in her grand palace, and her heart often yearned for companionship. When she saw that a stranger had alighted at her gates she rejoiced greatly, and hastened to receive him with courtesy and welcome.
