Reviews

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.

IN THE CAGE (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An unnamed telegraphist works in the branch post office at Cocker s, a grocer in a fashionable London neighborhood. Her fiance, a decent if unpolished man named Mr. Mudge, wants her to move to a less expensive neighborhood to save money and to be near him at all times. She refuses because she likes the glimpses of society life she gets from the telegrams at her current location. Through those telegrams, she gets involved with a pair of lovers named Captain Everard and Lady Bradeen. By remembering certain code numbers in the telegrams, she manages to reassure Everard at a particular crisis that their secrets are safe from detection. Later she learns from her friend Mrs. Jordan that Lady Bradeen and Everard are getting married after the recent death of Lord Bradeen. The unnamed telegraphist also learns that Everard is heavily in debt and that Lady Bradeen is forcing him to marry her, as Everard is really not interested in her. The telegraphist finally decides to marry Mudge and reflects on the unusual events of which she was a part.
