Reviews

It is simple in read easier to understand. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is just following i finished reading through this publication where basically transformed me, alter the way i really believe.

(Ms. Christy Ondricka DDS)

THE CORPSE POSE

Red Hen Press, United States, 2016. Paperback. Book Condition: New. 226 x 150 mm. Language: English. Brand New Book. The Corpse Pose by Erik Campbell is a collection that chronicles one man s sometimes messy, simultaneously candid and sardonic (and consequentially human) meanderings from the jungles of Papua, Indonesia to the deserts of Phoenix, Arizona, from a 15-year marriage to infidelity and divorce, from answers to errors both redemptive and destructive. The Corpse Pose is a lyrical fusion of biography and polemic. Variegated in theme as in its geography, it is a work about magic and loss, about maps and legends, the mutability of memory and desire, but it is ultimately a treatise on how we are each other s human credentials.
