## THE BLOODY TOMAHAWK

Paperback. Condition: New. 180 pages. This is the true story of courageous pioneers and their struggles in the American Revolutionary War. They lived not on the frontier of the time, but some sixty miles beyond it, and become a target of the British and Iroquois Confederacy because of their fanatical belief in the American cause for independence. They stand alone, faced with overwhelming odds and somehow triumph, possessed of a new spirit which will not be denied, the American Spirit. This work is the third in a series of historical narratives of the Wyoming Valley in the Revolutionary War (Wyoming at the time of the American Revolution was considered the area along the Susquehanna River from Tioga Point, now Athens, Pa. , to Nescopek, Pa. ) the first being Cry of the Tomahawk, covering the time period from 1763 to July, 1778, the second, Curse of the Tomahawk, covering the period from August 1778 to October 1778, and this work, the third in the series, covering the period from October 1778 to April 1779 and the little known second invasion of Wyoming. It is a gripping and true tale of ordinary people overcoming extraordinary odds. It is the story of America. Come read of our ancestors and their great struggles, and in them discover a part of ourselves, and learn something of the spirit which would in turn conquer a nation. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
