DIGITALHUMANITIES

To get **Digitalhumanities** eBook, make sure you click the hyperlink under and download the ebook or have access to other information that are have conjunction with DIGITALHUMANITIES ebook.

MIT Press (MA). Hardcover. Book Condition: New. Hardcover. 152 pages. Dimensions: 9.1in. x 7.4in. x 0.7in. DigitalHumanities is a compact, game-changing report on the state of contemporary knowledge production. Answering the question, What is digital humanities, it provides an in-depth examination of an emerging field. This collaboratively authored and visually compelling volume explores methodologies and techniques unfamiliar to traditional modes of humanistic inquiry--including geospatial analysis, data mining, corpus linguistics, visualization, and simulation--to show their relevance for contemporary culture. Included are chapters on the basics, on emerging methods and genres, and on the social life of the digital humanities, along with case studies, provocations, and advisories. These persuasively crafted interventions offer a descriptive toolkit for anyone involved in the design, production, oversight, and review of digital projects. The authors argue that the digital humanities offers a revitalization of the liberal arts tradition in the electronically inflected, design-driven, multimedia language of the twenty-first century. Written by five leading practitioner-theorists whose varied backgrounds embody the intellectual and creative diversity of the field, DigitalHumanities is a vision statement for the future, an invitation to engage, and a critical tool for understanding the shape of new scholarship. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
