And American Diplomacy at the Outbreak of the Civil War: An Address Read in French Before the Societe D histoire Diplomatique at Paris, on the Ninth of June, 1905 After well nigh half a century it is easy to recognize the impression created abroad by the Federal Government's indecision on the eve of the Civil War. If republican institutions had always seemed in the nature of an experiment to European statesmen, their sudden lack of stability appeared to justify every misgiving. It must be confessed that the want of real insight which so often makes nations, like individuals, misjudge each other, was not here to blame.
