Palgrave MacMillan, United Kingdom, 2014. Hardback. Condition: New. 2014 ed.. Language: English . Brand New Book. Reimagining Black Difference and Politics in Brazil examines Black Brazilian political struggle and the predicaments it faces in a time characterized by the increasing institutionalization of ethno-racial policies and black participation in policy orchestration. Greater public debate and policy attention to racial inequality suggests the attenuation of racial democracy and positive miscegenation as hegemonic ideologies of the Brazilian nation-state. However, the colorblind and post-racial logics of mixture and racial democracy, especially the denial and/or minimization of racism as a problem, maintain a strong grip on public thinking, social action, and institutional practices. Through a focus on the epistemic dimensions of black struggles and the anti-racist pluri-cultural efforts that have been put into action by activists, scholars, and organizations over the past decade, Alexandre Emboaba Da Costa analyzes the ways in which these politics negotiate as well as seek to go beyond the delimited understandings of racial difference, belonging, and citizenship that shape the contemporary politics of inclusion.
