Blue Dog Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Trapped in the past with the knowledge of the future In 2012, a woman cuts her hand and picks up a strange colored stone - Suddenly she is staring into the eyes of an angry Powhatan warrior. And the only town nearby is Jamestown, circa 1622. Maggie McMillan wakes up one day as a college student, yet ends the day as the Red Woman: A legendary Time Walker that every loyal Powhatan brave wants to kill. Captured by Winkeohkwet, a warrior who is torn between his duty to kill her and his desire to keep her, she is thrust into a life she had only read about in history books. Hunted and feared by both the Powhatan and the English, she struggles to find a way home while Winkeohkwet plots to keep her there. Maggie fights to survive as she finds herself entangled in the Indian Massacre of 1622, and Winkeohkwet sees everything he ever believed in shattered by the knowledge she holds. As they battle against each other and the message she brings from the future, she must decide whether to return to her own time, or to make a life in the past with the man who holds her heart captive.
