THERE I WAS AND HERE I AM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There I Was and Here I Am speaks to a life s journey. The story is about triumph over adversity - following the course of a young boy from a poor family with the dream of flying. The story follows him through his life s pursuit of that dream. The book is divided into the four seasons of life. Each season begins with the life cycle of a drop of water, starting as a snowflake and ending in the sea. It also deals with the two powerful forces always at work inside each of us - a good and a bad wolf, each fighting for dominance. Spring takes him from a troubled childhood and difficult times in the early school years to his enlistment into the United States Marine Corps, his service in Vietnam at just nineteen years of age, his return back to the real world and his struggles with Post Traumatic Stress Disorder (PTSD). Summer follows him into college, Air Force Reserve Officers Training and the overcoming of numerous obstacles along the way. It also follows his entrance into and successfully completion of Air Force pilot training, his career in the Air Force and an emotional breakdown experienced during the transition from military service into civilian life. Fall finds our hero searching for a job flying with an airline company and summarizes the challenges he faces in his pursuit of happiness. It culminates with the successful completion of both - the winning of those elusive dreams. Winter - the shortest chapter - is about his retirement, family, children, friends he made along the way and some brief reflections. It may seem like fiction at times. It is not...
