

The Generic Sublime: Organizational Models for Global Architecture (Hardback)

Filesize: 7.83 MB

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

(Noble Hagenes)

THE GENERIC SUBLIME: ORGANIZATIONAL MODELS FOR GLOBAL ARCHITECTURE (HARDBACK)

ActarD Inc., United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Skyscraper collectives, tower agglomerations, high-rise housing, mixed-use developments, luxury condominiums, airport hubs, suburban office enclaves, industrial and technology parks, hotel complexes and resorts, conference and financial centers, entertainment venues, gated communities, theme parks, branded cities, new central districts, and satellite cities: extra-large architectural typologies dominate the contemporary built environment worldwide. Despite the ubiquity of these building forms, their development has been largely restricted by a reliance on outmoded traditions of urbanism and the strict separation of disciplinary domains within current architectural practice. The Generic Sublime investigates how the modern concept of the generic--once assumed to achieve universality by means of organizational homogeneity, formal neutrality, programmatic blankness, lack of identity, and insipidness of character--holds the potential to become its very opposite: the singular, the irreducible, and the extraordinary. Directing the work of students of the departments of Architecture, Landscape Architecture, and Urban Planning and Design at the Harvard University Graduate School of Design, *Ciro Najle* examines the organizational protocols of building collectives and develops architectural models for encompassing the unprecedented potential of the extra-extra-large. The book includes essays by *Ciro Najle*, *Mohsen Mostafavi*, *Inaki Abalos*, *Charles Waldheim*, *George L. Legendre*, *David Salomon*, *Paul Andersen*, *Lluís Ortega*, *Leire Asensio Villoria*, *David Mah*, *Pablo Lorenzo-Eiroa*, *Alberto Delorenzini*, *Marcia Krygier*, *Julia Varas*, *Erika Naginski*, *Hiromi Hosoya*, *Farshid Moussavi*, and *Anna Font*.
