

Burma Strategic Backwater of Strategic Fulcrum U.S. Choice in the Bay of Bengal

Filesize: 4.43 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Brian Miller)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 136 pages. Dimensions: 11.0in. x 8.5in. x 0.3in. The United States began expanding its engagement with Burma (Myanmar) in 2009, which went largely unnoticed outside of the Asian studies community. Burmas cautious political opening and pursuit of cease fire agreements to end decades-old ethnic rebellions presented an opportunity for the U. S. to pursue engagement to advance the Obama administrations Asia policy of linking the U. S. economically and militarily with East and South Asia. Burmas geographic location, resources, and emerging role in ASEAN make it a critical linkage in this policy framework. Burmas history is complicated, fraught with conflict still visible in its political, social, and military situation, but it is of sufficient importance that national and transnational actors are maneuvering for position there. The U. S. is already linked to Burma through its economic policies in Asia, and so has incentive to influence Burmas development to reach favorable outcomes in the region. However, Burma has many barriers to growth and reform. Realizing U. S. objectives with respect to Burma may depend on Burma overcoming those barriers. The U. S. may be able to help, but further involvement in Burma holds risk for the U. S. This paper describes the relevant Burmese history, the current maneuvers by national and transnational actors in the region, the U. S. approach to Burma. It then outlines a set of recommendations to clarify the U. S. approach and potentially expand engagement beyond those currently visible that support stability, prosperity, and human rights in Burma while advancing U. S. interests. This item ships from La Vergne, TN. Paperback.
