Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The year is 1969. Though there is war and unrest in the world, on August 15th, on a farm in upstate New York, a little concert will go down in history as the most famous music festival of our time: Woodstock. It also happens to be the day Bonnie McMillan and Peter Hampton meet and begin their free-spirited love-filled journey with each other. Fast forward forty-seven years. Bonnie unexpectedly passes after a night of hot sex and is whisked up to Purgatory, The Green Room as they call it. Bonnie s best friend meets her at the pearly green gates and the fun begins, from body sculpting to channeling. Follow Bonnie on her erotically incorrect quest to re-connect with the love of her life. Or at the very least, make sure the sex toys are hidden before the kids start sorting through her things!.
