Tantor Media, Inc, United States, 2017. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. At age forty-seven, a mother of two, Debbie Moderow was not your average musher in the Iditarod, but that's where she found herself when, less than 200 miles from the finish line, her dogs decided they didn't want to run anymore. After all her preparation, after all the careful management of her team, and after their running so well for over a week, the huskies balked. But the sting of not completing the race after coming so far was nothing compared to the disappointment Moderow felt in having lost touch with her dogs. Fast into the Night is the gripping story of Moderow's journeys along the Iditarod trail with her team of spunky huskies: Taiga and Su, Piney and Creek, Nacho and Zeppy, Juliet and the headstrong leader, Kanga. The first failed attempt crushed Moderow's confidence, but after reconnecting with her dogs she returned and ventured again to Nome, pushing through injuries, hallucinations, epic storms, flipped sleds, and clashing personalities, both human and canine. And she prevailed.
