Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The British Essayists, Vol. 17: With Prefaces, Historical and Biographical There is, in my opinion, great reason for suspecting, that they sometimes take advantage of this reverential modesty, and impose upon rustic understandings with a false Show of universal intelligence for I do not find that they are willing to own them selves ignorant of any thing, or that they dismiss any inquirer with a positive and decisive answer. The court, the city, the park, and exchange, are to those men of unbounded observation equally familiar, and they are alike ready to tell the hour at which stocks will rise, or the ministry be changed. A short residence at London entitles a man to knowledge, to wit, to politeness, and to a despotic and dictatorial power of prescribing to the rude multitude, whom he condescends to honour with a bien nial visit, yet, I know not well upon what motives I have lately found myself inclined to cavil at this prescription, and to doubt whether it be not, on some occasions, proper to withhold our veneration, till we are more authentically convinced of the merits of the claimant.
