If you are happy in love, have a strong sense of politics, or have recently lost a loved one you will find a poem here to match the feelings you are currently feeling. I have tried to poetically describe how some of the events in my life have made me feel. While glancing at an old photograph of my parents I remembered how much in love they were all the years they were together so I fondly wrote the poem, In a Field of Daisies. Happily, this poem was made into a country and western song in the later part of the 1980s. I have lost my son Chris at a tender age of twenty-three and many other family members. I have sat and expressed the deep sadness these events have given me. Birthdays, anniversaries, and most anything that puts smiles on peoples faces also puts a pen in my hand and a sense of fun in my mind. These days, if I am not writing a poem someone will ask me to! Please enjoy reading my poetry. You might find something you like and something that is very close to home! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
