Only the gentlest of touches could be used in coaxing his awareness to the surface. But the universe would not allow her the luxury of time. Strake, the man she owed her life to, was caught in enemy territory and every second brought him closer to brutal death. She would do everything within her power to bring him back alive. She would risk her very life. Would she risk Jons ability to become whole again Betelgeuse Beguiling is the second novella in the Collective Saga series.
