HarperCollins Publishers. Paperback / softback. Book Condition: new. BRAND NEW, Introduction to Psychology, Joseph G Johnson, Ann L Weber, Kevin Filter, Master Your Coursework with Collins College Outlines The "Collins College Outline" for "Introduction to Psychology" provides students with a detailed overview of basic psychology coursework. This book covers research methods, behavior, perception, cognition, human development, personality, intelligence, psychological disorders, and much more. Completely revised and updated by Dr. Joseph Johnson, this book includes a test yourself section with answers and complete explanations at the end of each chapter. Also included are bibliographies for further reading, as well as numerous graphs, charts, and illustrations. The "Collins College Outlines" are a completely revised, in-depth series of study guides for all areas of study, including the Humanities, Social Sciences, Mathematics, Science, Language, History, and Business. Featuring the most up-to-date information, each book is written by a seasoned professor in the field and focuses on a simplified and general overview of the subject for college students and, where appropriate, Advanced Placement students. Each "Collins College Outline" is fully integrated with the major curriculum for its subject and is a perfect supplement for any standard textbook.
