Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Civil engineers, mechanical engineers, structural engineers, marine engineers, chemical engineers, systems engineers, and engineering support personnel have a lot in common when they want to create a resume, and this book shows resumes and cover letters of individuals who want to work in the field. For those who seek federal employment, there s a special section showing how to create federal resumes and government applications. A word of advice from Editor Anne McKinney: If you want to enter the engineering field or advance in the industry, you don t need just any resume book. You need an industry-specific resume book! You will love this book targeted specifically to the engineering field. Every resume and cover letter we put in a Real-Resumes Series book has been tested and proven in the real job market. Don t play games with your career. Your choice of a resume book is one of the most important career decisions you will ever make. Praise for other books in the Real-Resumes Series: Distinguished by its highly readable samples. Library Journal Since many technical types aren t writers, this comes as a special gift: select a winning format, plug in your background specs, and away you go. It s that easy--with REAL RESUMES in hand. - The Midwest Book Review This thoughtful resource should come as a welcome and valuable tool. -Small Press Testimonials from people who have successfully used this book: Although I graduated from college in a recession when engineers were not in demand, I was able to find a job when my peers could not because I turned to the great samples in the Real-Resumes book for engineers. This book gave me...
