Xlibris, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is no doubt that the marriage institution has been disrupted in many ways. Infidelity, divorce, domestic violence, and same-sex marriage are some of the visible signs. However, the human and economic tolls arising from this disruption go far beyond what we can readily see. You have probably read or heard all the things the Bible says about marriage; you still remember all the things your parents or your pastor told you about marriage, and maybe, you have also tried out some of the recipes for a happy and successful marriage. Most of what has been written and said about marriage come from good husbands and good wives who are happily married and are too careful to rock the boat. They keep to the beaten track even when it is obvious that things are not working according to the general prescriptions and assumptions. Now, what about those things you have never heard? I mean those things that could contradict some of your cherished doctrines and beliefs? Yes, you believe in marriage vows, you believe in one man-one wife marriages; perhaps, you were also given a set of rules on love, submission in marriage, or the formula for a successful marriage. You were probably told the type of people you should marry and those you should not--based on their backgrounds. Maybe you know nothing at all about all these. Never mind! Nothing will shield you from the vicissitudes of marriage; there is no absolute guarantee against failure. But you can reduce your odds of failure by acting consciously and proactively, and by taking your time to find out and understand who you are, your purpose and vision in life, before making the strategic decision of who...
