WestBow Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.-Reading Asha s words about her journey is like taking a little break for yourself. They are real.full of grit, love, light, and life. Just like her.- Wendy S. -You are my favorite of all my favorites.- Eric S. -Your random thoughts of the week = my high point of the week.- Jake K. -Your mighty random thoughts, remind me of impressionistic painting, helping people to be in the present.- Kali B. Thoughts, coming from the most powerful part of the brain, they fly in. Sometimes unwelcome, they take over. As you flip through these pages, you ll catch a glimpse of my own thoughts. Some are downright odd, others are scary, inspiring, God-infused, from a momma s heart, from a girl s spirit, and from a career woman s gaze. I hope they inspire you to listen to your own random thoughts in a new way, as they too are mighty. Writing Mighty Random was one of my goals of this year, and I am proud to check it off. The full list features such items as dreaming big, reading books, writing one, loving bigger, fearing smaller, parenting well, and running fiercely into the arms of Jesus every day.
