

Physics Experiments for Children (Paperback)

By Muriel Mandell

Dover Publications Inc., United States, 1968. Paperback. Condition: New. New edition. Language: English . Brand New Book. What better way is there to learn than by doing? This unusual book enables children to carry out more than 103 different experiments and demonstrations, carefully planned to illustrate important principles of modern science. Clear step-by-step instructions, frequent diagrams, clear statements of conclusions all enable the young student to carry through these experiments with minimal supervision, yet full success.
