## Seize the Day: Exhibitions, Australia the World

By -

Monash University Publishing, Australia, 2008. Paperback. Book Condition: New. 254 x 171 mm. Language: English . Brand New Book. Australians have always loved a good show, as this new collection of essays demonstrates. The significance of exhibitions goes beyond mere entertainment. From the 1850s to the present, exhibitions have been a marketing tool for Australia's advancements in global trade, migration and tourism. They have also been powerful vehicles for conspicuous consumption, civic progress, social status, and identity be it local, national or international. This multi-disciplinary collection presents new research on a fascinating variety of exhibitions from nineteenth-century World Fairs to late twentieth-century Expos. Contributors are leading museum professionals and academics from a range of disciplines including art history, the history of design, literary studies, indigenous history, cultural and social history and the history of science. Seize the Day examines the complex role of exhibitions within Australia's cultural, commercial and artistic histories. Exhibitions are dynamic sites for the construction of national identities and international collaborations, the showcasing of collecting and exhibiting practices, and the expression and contestation of race and gender. Detailed case studies explore the many facets of exhibitions from ethnographic display to artistic competition to intercolonial rivalry...
