Bantam Doubleday Dell Publishing Group Inc, United States, 2000. Paperback. Book Condition: New. 175 x 109 mm. Language: English . Brand New Book. From the subversive to the antic, the uproarious to the disturbing, the stories of Bruce Sterling are restless, energy-filled journeys through a world running on empty--the visionary work of one of our most imaginative and insightful modern writers. They live as strangers in strange lands. In worlds that have fallen--or should have. They wage battles in wars already lost and become heroes--and sometimes martyrs--in their last-ditch efforts to preserve the dignity and individuality of humanity. A hack Indian filmmaker takes the pulse of a wounded and declining civilization--21st-century Britain. A pair of swashbuckling Silicon Valley entrepreneurs join forces to make a commercial killing--in organic underground slime and computer-generated jellyfish. A man in a Japanese city takes orders from a talking cat while pursuing a drama of danger and adventure that has become the very essence of his life. From quot;The Littlest Jackalquot;, a darkly hilarious thriller of mercs and gunrunners set in Finland, to a stark vision of a post-atomic netherworld in his haunting tale quot;Taklamakanquot;, Bruce Sterling once again breaks boundaries, breaks icons, and breaks rules to unleash the most dangerously provocative and intelligent science fiction being written today.
